Objective

I am a Second Year student in Artificial Intelligence & Data Science (AI & DS) seeking opportunities to apply my technical skills. My goal is to contribute to an organization where I can grow professionally while utilizing my knowledge in data science and programming.

Education

B.Tech in Artificial Intelligence & Data Science

CSMSS Chh. Shahu College of Engineering

Aug 2023 – Present

Higher Secondary (12th)
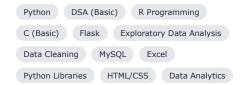

Mahatma Jyotiba Phule Higher Secondary School, Pishor

73.33%

Secondary (10th)

Sanskar Madhyamik Vidyalaya, Chhatrapati Sambhajinagar

88.40%

Skills

Python   DSA (Basic)   R Programming

C (Basic)   Flask   Exploratory Data Analysis

Data Cleaning   MySQL   Excel

Python Libraries   HTML/CSS   Data Analytics

Projects

Interview Resume Checker Portal

2024

A web application for resume analysis and job matching using Machine Learning and Natural Language Processing to provide comprehensive insights for job seekers.

- Complete resume analysis and ATS score calculation
- Job recommendations based on skills and experience
- JD matching score for application relevance
- Resume builder with professional templates
- Detailed resume analysis report generation

Learning Focus

Currently expanding my knowledge in:

- Data Analytics techniques and methodologies
- Machine Learning fundamentals
- Python programming and libraries
- Web development with Flask
- Database management with MySQL
- Statistical analysis with R

Professional Development

As a dedicated AI & Data Science student, I'm continuously enhancing my skills through:

- Coursework in data science and programming
- Personal projects in data analysis
- Online learning platforms and coding practice
- Networking with professionals
